An athlete can have unlimited notes. Notes have categories such as *Questionnaire*, *Web*, *Video*, *Event*, *Email*. Each note has the initials of the staff member that created the note and a small icon next to the note so you know which type it is. Event notes have the name of the event as a title.

Notes are sorted from newest to oldest unless pinned.

# Ratings

Ratings are a unified way for the entire staff to appraise an athletes ability.

Athletes never see the ratings you give them.

## Overall Rating:

This is a single grade from A+ to F.

The most recent overall grade assigned by any staff member will be shown
