An athlete can have unlimited notes. Notes have categories such as *Questionnaire, Web, Video, Event, Email*. Each note has the initials of the staff member that created the note and a small icon next to the note so you know which type it is. Event notes have the name of the event as a title.

Notes are sorted from newest to oldest unless pinned.

Ratings

Ratings are a unified way for the entire staff to appraise an athlete's ability.

Athletes never see the ratings you give them.

https://www.youtube.com/embed/m_AA3j3hgEc

Overall Rating:

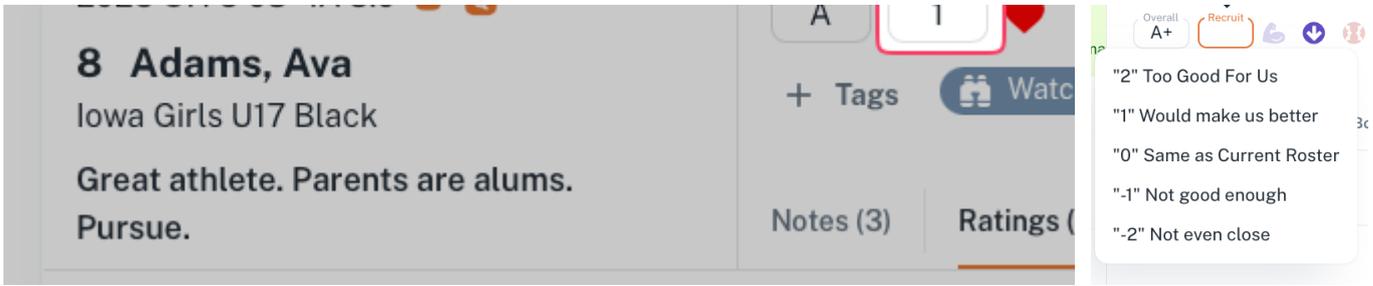

This is a single grade from A+ to F.

The most recent overall grade assigned by any staff member will be shown

The screenshot shows an athlete's profile card for Ava Adams. The card includes her name, age (8), height (5'08"), and position (IA 3.0). It also displays her overall rating as 'A', a recruit score of 1, and a note: 'Great athlete. Parents are alums. Pursue.' Below the profile card, there are tabs for 'Notes (2)', 'Ratings (0)', 'Boards (0)', and 'Tasks (4)'. The 'Ratings (0)' tab is selected, and a dropdown menu is open, showing a 'Setting' button and a list of rating options: A, B, C, D, E, and F. The 'Setting' button is highlighted with an orange border.

Recruitability Score:

This is a numeric system to allow staff to compare an athlete to their current roster. The most recent score assigned by a staff member will be shown.

Giving every athlete you evaluate a recruitability score will also help us direct them toward the best fit.
